"Where your family joins ours for summer fun!"

Choosing a quality summer program for your child is a huge decision, and we're here to help! Our summer programs for children 3- 6 years comes with our **Camp Kids' Work pledge:**

Camp Care: Wonderful staff who love children; small group sizes ensure your child feels nurtured and cared for!

Knowledge: Meaningful themes in a curriculum format target different learning domains through play and exploration

Wonder: Feeding your child's imagination, creativity, and exploration through hands on activities, classes, STEAM projects, experiences, field trips, and more!

WHAT OUR FAMILIES SAY

"We were THRILLED with our experience this summer. We recommend Kids' Work to anyone looking for enriching daycare, pre-school or summer camp in the Chicago area!" - Carey W.

"The staff was incredibly responsive and kind when we had some separation anxiety as it was her first time in a "day care like" environment. By the end she was running into the classroom without saying goodbye! I loved the pictures that they sent daily and the variety of activities they did. Highly recommend." - Mandy T.

"Our 4 year old had a wonderful experience in Kids' Work Summer Camp this year. Their facility is super clean, bright and has a fun and welcoming environment. The staff was very kind, communicative and helpful. Dropoff and pickup is easy and flexible. We hope to be back for Summer Camp next year!" - Hillary J.
